PRAGUE — COMPLETE ITINERARY

Old Town · Lesser Town · Hradčany

TRANSPORT FROM AIRPORT TO CENTER

• Airport Express (AE): Direct line to the Main Railway Station (120 CZK). Stop in front of Terminals 1 and 2.

• Public Transport: Bus 119 to Nádraží Veleslavín station (40 CZK / 90 min) + metro A.

• Taxi/Bolt/Uber: 700–1,000 CZK (30–45 minutes). We recommend official AAA Radiotaxi vehicles.

Airport Express (AE)

- **Where:** The stop is located directly in front of Terminals 1 and 2 at the arrivals level.
- **How:** The buses are marked with the "AE" logo. You can purchase a ticket directly from the driver (card payment is possible) or in the vending machines inside the terminal hall.
- **Destination:** Runs directly to the Main Railway Station (Hlavní nádraží) in the city center.

Public Transport (Bus 119 + Metro A)

- **Where:** Bus stops are located directly in front of the exits of both terminals.
- **How:** Take bus number **119**. It will take you to the final stop, **Nádraží Veleslavín**. After exiting the bus, you will see the entrance to the metro line A (green line), which will comfortably take you to the very center (Můstek or Staroměstská stations).
- **Tickets:** Before starting your journey, purchase a 40 CZK transfer ticket (valid for 90 minutes) at a ticket machine in the arrivals hall or via the "PID Lítačka" app. Remember to validate your paper ticket in the yellow machine upon boarding the bus if you did not purchase it in the app.

Bolt / Uber / Taxi

- **Where:** Exit the terminal hall toward the parking area (clearly marked as "Parking").
- **Bolt/Uber:** Set the pickup location as "Václav Havel Airport" in your mobile app and select your specific terminal. The app will navigate you directly to your car (often parking lots P1 or P2).
- **Official Taxi (AAA RADIOTAXI):** Available at both terminals at designated taxi stands. I recommend using the official yellow vehicles marked with the company logo, which are stationed directly in front of the terminal halls.
